## BOOK SYNOPSIS

Following in the tradition of the One Creepy Street Series of award winning books, The Terrible Terabytes focuses on the problem of bullying and specifically, cyber bullying. Annica and her friends have run into some bullies in the school yard and the problem cannot be ignored. Light hearted in tone and message, and beautifully illustrated by Drew Rose, the book will provide a positive environment to discuss this modern day childrens issue. The book is designed to be the perfect companion to the other books in the series, Annicas Broom, The Spider on the Web, and Annica and the Spider Activity Book.
